

## Subscribing to the club calendar

To add the club calendar to your own online calendar:

- Open your online calendar (google/outlook etc)
- Add a new calendar from URL/internet
- enter the ical url of the club calendar:  
<https://www.google.com/calendar/ical/bpbclub%40yahoo.co.uk/public/basic.ics>
- Add a name and save
- The club calendar will now be combined with your own from now on, this can be added as an option to phones/desktop applications and tablets that support online calendars
- You can remove/unsubscribe from the club calendar through your application of choice if you wish to in the future
